Software Updates: We offer regular software updates to keep your Geely Smart Car running smoothly and efficiently.

Warranty: All Geely Smart Car products come with a one-year warranty. If you experience any issues with your vehicle, we will repair or replace the parts as needed.

Customer Service: Our friendly customer service team is always available to answer any questions or concerns you may have about your Geely Smart Car experience.

Packing and Shipping:

Packaging and Shipping for Geely Smart Car

Geely Smart Car will be packaged and shipped using the following process:

Each car is secured with protective foam to ensure safe transportation.

The car is then placed in a cardboard box designed to fit the car's size and shape, and it is sealed with packing tape for further protection.

The box is then labeled with the customer's name, address, and other shipping information.

The box is then loaded onto a pallet for shipment.

The pallet is shipped via a reputable shipping provider, and the customer is sent tracking information once the pallet has been shipped.
