Support and Services:

Technical Support and Service for Petrol Hybrid Cars
We provide free technical support and service for our petrol hybrid cars. Our staff is available to answer any questions you may have about your car and provide assistance with installation, maintenance and repair. We also provide a range of warranties and extended service plans to ensure your car is always running optimally.
If you experience any problems or have any queries, please don't hesitate to contact us. We're here to help and will do our best to ensure you get the most out of your petrol hybrid car.

Packing and Shipping:

Packaging and Shipping for Petrol Hybrid Cars
Petrol Hybrid Cars are shipped in secure packaging to ensure a safe and smooth delivery. All cars are wrapped in a plastic covering to protect them from the elements and are then secured to a pallet or box for safe shipping.
The pallet or box is then placed inside a cardboard box and secured with packing tape. All items are scanned for accuracy and quality before shipment to ensure the customer is receiving the correct product.
The box is then sent via a secure delivery service and tracked to its final destination. Upon delivery, the customer must inspect the box for any signs of damage and report any issues immediately.
