Product Description:

Introducing the Tank 400 Hi-4

Unveil a new dimension of off-road adventure with the Tank 400 Hi-4, a rugged yet refined SUV designed to tackle the toughest terrains while delivering uncompromised comfort and performance. The Tank 400 Hi-4 is not just a vehicle; it's a statement of power, durability, and versatility.

Exceptional Design and Build

The Tank 400 Hi-4 stands out with its bold and robust design. Its commanding presence on the road is highlighted by a rugged front grille, aggressive wheel arches, and durable skid plates. The SUV's high ground clearance and sturdy chassis are engineered for optimal off-road capability, allowing you to conquer diverse landscapes with confidence.

Powerful Performance

Under the hood, the Tank 400 Hi-4 is equipped with a potent engine that delivers impressive power and torque. Whether you're navigating rocky trails, crossing rivers, or cruising on highways, the advanced 4x4 system ensures exceptional traction and stability. The sophisticated suspension system is designed to handle rough terrain while providing a smooth ride, making every journey both exhilarating and comfortable.

Advanced Technology

Step inside the Tank 400 Hi-4, and you're greeted by a high-tech, user-friendly cabin. The interior features a state-of-the-art infotainment system with a large touchscreen display, seamless smartphone integration, and advanced navigation capabilities. The SUV also offers a comprehensive suite of driver-assistance features, including adaptive cruise control, lane-keeping assist, and automated emergency braking, enhancing both safety and convenience on and off the road.

Luxurious Comfort

Despite its rugged exterior, the Tank 400 Hi-4 doesn't compromise on comfort. The spacious interior is crafted with premium materials and offers ample legroom and cargo space. The adjustable seating, climate control, and advanced sound system ensure that every drive, whether through city streets or remote trails, is as comfortable as it is thrilling.

Versatility and Reliability

The Tank 400 Hi-4 is designed for adventurers who demand both versatility and reliability. With its impressive off-road capabilities, luxurious features, and cutting-edge technology, this SUV is ready to elevate your driving experience. Whether you're exploring new terrains or navigating daily commutes, the Tank 400 Hi-4 is your ultimate companion for every journey.

Experience the perfect blend of power, luxury, and innovation with the Tank 400 Hi-4—where adventure meets sophistication.

Features:

Product Name: tank 400 hi-4 car
Motor Power:185 kW
Exterior Features: LED Headlights, Panoramic Sunroof
Vehicle Type: hybrid car
Drivetrain: Front-Wheel/All-Wheel
Availability: Global
BESS Battery Energy Storage System

Technical Parameters:

BESS Battery Energy Storage System	185 KWh
Electric Vehicle Lithium Ion Battery	Global
Hybrid EV Cars	Automatic
5	LED Headlights, Panoramic Sunroof
Advanced	Automatic Temperature Control
Electric Vehicle	GPS, Bluetooth, Touchscreen

Applications:

Advanced Technology
