Product Description

Product Description:

Used Benz

The Mercedes-Benz EQC is an all-electric luxury SUV that combines Mercedes' signature design and advanced technology with the efficiency of electric driving. Powered by dual electric motors, the EQC delivers a smooth and powerful performance, with an estimated range of around 200 to 250 miles on a full charge, depending on driving conditions. It features a sleek and modern exterior, with an aerodynamic profile and a distinctive front grille. Inside, the EQC offers a spacious and high-quality interior, equipped with the latest infotainment and safety systems, including the MBUX interface and advanced driver assistance features. The EQC represents Mercedes Benz's commitment to sustainable mobility without compromising on luxury and performance.

Features:

Product Name: Benz
