Product Description:

Used Cybertank 300 2021 2.0T

Introducing the 2021 Great Wall CyberTank 300—a striking blend of power, style, and advanced technology, crafted to redefine the compact SUV market. Equipped with a robust 2.0T L4 engine, this vehicle generates an impressive 227 horsepower, providing exceptional acceleration and a dynamic driving experience that's ideal for both city commutes and rugged terrain.

The CyberTank 300 showcases a futuristic design with bold lines, complemented by a high ground clearance and rugged body. Its unique exterior, featuring LED headlights and aggressive front styling, draws attention wherever it goes, while maintaining the practicality needed for urban settings and off-road adventures alike.

Step inside, and you'll find a meticulously crafted interior offering a harmonious balance of comfort and advanced technology. Spacious seating ensures comfort for all passengers, with high-quality materials providing a refined feel. An intuitive infotainment system equipped with a large touchscreen, Bluetooth connectivity, and smartphone integration allows for seamless access to music, navigation, and calls, enhancing the driving experience.

Safety is a top priority in the CyberTank 300. With features like electronic stability control, anti-lock braking, and multiple airbags, this vehicle is designed to offer comprehensive protection for you and your passengers. Advanced driver-assistance systems, such as blind-spot monitoring and lane departure warning, add an extra layer of security.

With its combination of style, technology, and performance, the 2021 Great Wall CyberTank 300 2.0T is more than just a compact SUV—it's a statement on the road. Whether you're navigating city streets or exploring off-the-beaten paths, the CyberTank 300 is ready for the journey.
